

NORTHWEST FIRE RESCUE & TRAINING

Fellow Community Members,

Often, we are surprised to learn that a number of our residents still don't appreciate how important volunteer firefighters are to the safety and vitality of their communities. In order to ensure we are all well informed, Onoway Regional Fire Services is holding information sessions that would be a benefit in the health and well being of all the entire area. We would like to thank you advance for your time, consideration, and hopefully attendance. Your time will help these sessions work by bringing forth any questions, comments, or concerns you might have (we have a place for you). If you are not able to attend, please send a friend, family member, or neighbour with any questions you may have.

Who is eligible?

-  Persons who reside in or near Onoway, Alberta Beach, Sunset Point, Val Quentin, Castle Island, Silver Sands, Southview, Yellowstone, Ross Haven, and Nakamun Park
-  Interested in volunteer experience
-  Want to remain mentally and physically active (always learning)
-  Interest in continual free education and upgrades
-  Desire for federal income tax breaks
-  Anyone 14 and up who want pride in helping others in need
